Contribution statement

Joe Mota ? Owned: Portal IA, home/3D narrative, site polish. Reviewed: Charter scope; About.
David Vasquez ? Owned: Market research synthesis, pivots. Reviewed: Business strategy.
Kevin Llamas ? Owned: Business strategy; charter draft. Reviewed: Market research evidence.
Saul Burns ? Owned: CV feasibility / charter risks. Reviewed: Out-of-scope; stakeholders.

AI use disclosure

Cursor / generative AI assisted portal construction and initial drafts of Sprint 1 PM artifacts for team review. The team rejected payment/reservation framing, rewrote the market top-pick around camera reuse, tightened charter out-of-scope, and kept go/no-go justifications and individual memos human-owned.
